PRESS RELEASE

Cedar Valley Hospice receives standards of excellence accreditation

Waterloo, Jan. 28, 2025: Community Health Accreditation Partner, Inc., (CHAP) announced that Cedar Valley Hospice has been awarded CHAP Accreditation under the CHAP Standards of Excellence.

CHAP Accreditation is a voluntary process that determines that a program demonstrates the industry's highest nationally recognized standards for quality, safety and compliance. The rigorous evaluation by CHAP focuses on structure and function, quality of services and products, human and financial resources and long-term viability. Simply stated, adherence to CHAP's standards leads to the highest quality care for patients and families in Cedar Valley Hospice's service area of 15 counties in Northeast Iowa.

"Achieving CHAP Accreditation reflects the unwavering commitment Cedar Valley Hospice staff have to providing excellent patient-centered, compassionate care while prioritizing quality and continuous compliance," said Cedar Valley Hospice Director of Clinical Services Stacy Weinke. "I couldn't be prouder of our amazing staff who make it all happen every day for our patients and their families."
